Hamtaro Episode: Bijou's Choice, Lora's Decision, and Hamtaro's Perfect Present
>
 Hamtaro yawned from the inside of his cage. He had been up all night wrapping presents for his Ham-Ham friends, because you see today is Christmas!
> "Isn't it great?" Laura asked Hamtaro showing him a soccer ball that she had bought for Travis, her secret crush. Hamtaro nodded in reply. 'Its great Laura' thought Hamtaro.
> "I didn't know what to give him so Kana suggested getting him a new soccer ball" Lora said, "I also got Kana a picture frame so she can put a picture in." Hamtaro nodded.
> "But I didn't forget you Hamtaro here," Laura handed him a tiny box. Hamtaro opened it quickly and then jumped with joy. Inside the box was a sun flower seed with a red bow tied on it. Laura smiled.
> "Bye Hamtaro!" She exclaimed while going down stairs with the presents to school.
> 'Oh no!' thought Hamtaro, 'I forgot to get Lora a present!' Hamtaro scurried out of his cage toward the club house. He then ran back into the cage for he forgot the presents for the Ham-Hams.
> _____
> "Why thank you Boss" Bijou said opening the present, it was a cut out heart with Boss s' and Bijous' initials. B+B.
> "Aww it was nothing Bijou" Boss replied. He was pushed over by a fat hamster with a sunflower seed in his ear.
> "Here Bijou I got you a present too! Merry Christmas!" Oxnart said.

> "Thank You!" Bijou in a French accent, "Its very nize Oxnart" It was leaves glued together to shaped as a flower and in the middle of it was a sun flower seed. Oxnart blushed.
> "Was mine nice?" asked Boss pushing Oxnart.
> "Yes, Boss it was nice too" Bijou said. Boss blushed.
> "I got you both presentz," said Bijou, "Here is one for you Oxnart and you Boss" Boss opened his present and saw 5 sun flower seeds tied together. Boss opened his present and saw it was a hammer with a sun flower seed on it.
> "Thank You Bijou IT'S BEAUTIFUL!!" exclaimed Oxnart, tears were in his eyes as he looked at the beautiful present before him. Bijou laughed.
> "BUT THANK YOU FOR GIVING ME THE BEST PRESENT!!" Boss said holding his hammer up high like it was an idol. Bijou and Oxnart sweat dropped.
 Just then the door creaked open. A white and orange hamster came in with a bag of some sort.
>
 "Hi Hamtaro!" The three hamsters said in unison.
>
 "Hey guys!" Hamtaro greeted, he dragged the bag in.
>
 _____
>
 Laura smiled, 'Today is when I'm going to tell Travis how I feel about him' she thought. She looked at her unsuccessfully gift wrapped soccer ball. The wrapping paper was kind of torn and there was a note attached to it which said:
>
 'Dear Travis,
>
 I have really liked you for a long time. Do you feel the same way about me?
>
 Laura'
>
 Her eyes lit up when she saw Travis talking to one of his friends. She took a deep breath and when his friend left she ran up to him.
>
 "Hey Travis!" She said brightly.
>
 "Hey Laura, Merry Christmas!" Travis replied.
>
 "Merry Christmas to you too."
>
 "Hey I- Lora do you know where Kana is?" Travis interrupted. Laura frowned for a second but put it back on her smile as quickly as it came on.
>
 "No, I haven't seen her today, why?" Laura asked. Travis looked down and blushed.
>
 "Well, um I got her something for Christmas and I wanted, to um, give it to her," he said stuttering. Laura froze her whole body got numb and she saw her whole world crashing before her. Does Travis like Kana? She shook it out of her head it couldn't be. Kana knew how much she liked Travis, she would never do this to her. Right?
>
 "What d-did you get her?" Laura bravely asked. Travis blushed again his face beet red.
>
 He took out a small present out of his pocket and opened it. Inside it was a golden locket. He opened it and inside it read, "I like you". Laura gasped. Did he mean he liked her? Or Kana?
>
 "You see, I kind of really like Kana." Travis said.
>
Dun, Dun, Dun. What will Laura do? Will Hamtaro find the perfect present for Laura? And who does Bijou like? Please Review!

2. the worst christmas

AHH!! Man I can't believe I spelt Oxnard wrong! I have to proofread more carefully. I probably spelt a lot of things wrong so please excuse my spelling mistakes and grammar. I suck at both of them. Plus I haven't watched Hamtaro in a looong time. I only get to watch it once three weeks. Its on like at 7 on Cartoon Network in the morning.

(I'm either at bed or getting dressed for school) Thanks to all of you who caught my mistake! Appreciate the reviews! Now on with the story!!!

truth? Did he like her? Don't be kidding yourself Kana, she must have mistaken what Travis had said, he probably liked Laura. Kana continued to look for Oxnard.
>
Ding Dong
>
 Kana stopped searching and went to the open the door. What she saw wasn't what she expected.
>
 "Travis. . ."
>
 Please review!! What will happen? Who will Travis end up with? Vote for who Bijou ends up with: Oxnard, Boss, or Hamtaro?

>
~till next time~

>
 "What's wrong Hamtaro?" Oxnard asked. Hamtaro was looking down at the floor.
>
 "I don't have a present for Laura." Hamtaro said sadly.
>
 "Oh." Oxnard sat down next to Hamtaro and took out a sunflower seed and bit into it thinking.
>
 "Here is your prezent Boss" Bijou said handing him a decorated box.
>
 "Wow! Really for me?" Bijou nodded. Boss unwrapped it quickly.

>
 "I LOVE IT BIJOU!!! Wait. What is it? O WELL I DON'T CARE!! As long as it's from you I love it!"
>
 "That is very sweet Boss, I knitted you a sweater"
>
 "Its very. pretty. where's the hole for my head?"
>
 "Right there" Bijou replied.
>
 "Eee... That's a little too small for my head"
>
 "Oh I am sorry Boss"
>
 "NO!! Its ok Bijou see I can put it on" Boss exclaimed.
>
 "Uh. Boss?"
>
"Help Bijou I can't breathe!"
>
 _____
>
 "I can't believe what I said," Laura thought, "I should have given Kana a chance to explain.its not her fault Travis likes her" At the thought of his name tears once more ran down Laura's face. She swiftly wiped it off and turned the knob to her room.
>
 "Hamtaro" She called. She went up to his cage and saw he was gone.
>
 "Hamtaro?" There was no sign of the orange and white hamster.

>
 "Oh no, he's disappeared!" *ding dong* Laura went up to answer the door.
>
 "Travis?"
>
 "Hey Laura can I come in?" Laura nodded. He looked behind him and smiled before he came into Laura's house.
>
 "Laura I got your present" Laura looked down is shame. Travis was probably going to tell her that he loved Kana and not her.

>
 "Look Travis I know you-"Before you start talking I realized that I never got you anything, so here" He handed her a gold box. Laura hesitated but accepted the gift.
>
 Laura opened the top of the box and gasped, it was a gold

necklace just like Kana's but inside it said 'I like you too' Laura was confused didn't he like Kana?
>
 "I've always thought of you as a friend until today and I realized that I had the same feelings for you as well" Laura felt unbelievably happy. She smiled and leaned in to kiss Travis but Travis moved away.
>
 "But, I also have feelings for Kana" Laura's heart sank and the happiness inside her that once took place turned back to misery. Travis opened the front door and Kana came in.
>
 "Hey Laura." Kana greeted cheerlessly.
>
 "Hey Kana" Laura said coldly she didn't know why but she wanted to be mean to Kana. She didn't like this feeling. Kana looked down and guilt crept back into her mind.
>
 Travis cleared his throat and the two girls looked at him. "I've decided to choose between you too" Kana and Laura looked at each other and then at Travis.
>
 "Who do you pick?" Kana asked.
>
 "I pick
>
 _____

 "Well what is it Oxnard?" Hamtaro asked excitedly.
>
 "You should get her what ever she likes!"
>
 "Err. But Oxnard I don't know what she likes"
>
 "Oh.I know what Kana likes maybe it will give you an idea" Hamtaro said ok so Oxnard went on, "Let's see she likes computers, sunflower seeds.no wait that's me, um she likes Travis-
>
 "Thanks Oxnard you got me an idea, I'll get her Travis for Christmas!"
>
 "But Hamtaro, Kana likes Travis too"
>
 "But what about Laura?"
>
 "But what about Kana?"
>
 "Laura!"
>
 "KANA!"
>
 "LAURA!"
>
"KANA!"
>
"BIJOU!" shouted Boss.
>
"Huh?"
>
 "Over there guys!" Hamtaro and Oxnard turned their attention to where Boss pointed and froze. Bijou was on the floor and her face was purple!
>
 "I don't think she's breathing!" Hamtaro cried.
>
